The Museum is situated in beautiful **Stratford Park** on the edge of Stroud.

The Museum's **Collections** represent the rich and diverse history and heritage of the Stroud district. The permanent displays tell the stories of the area, its landscape, people, culture and industry from pre-history to more modern times.

The Collections are complemented by a modern **Art Gallery** which hosts a range of temporary exhibitions.

Both the Gallery exhibitions and the Museum displays are supported by a stimulating public programme of educational workshops, walks, talks and special themed events.

The Friends of The Museum in the Park enjoy

The Friends is an **independent Charity** which offers support and financial assistance to the Museum.

The installation of the Museum's popular automaton Donations Box was commissioned by the Friends who have also funded conservation work, the purchase of objects, costumes and 'characters' for the education and public programmes.

A variety of exciting and interesting events, trips and talks are regularly organised. The Friends also help with special events at the Museum. It is a wonderful opportunity to meet like-minded people and to **share** common interests.

A fantastic range of benefits including:

- ❖ **Invitations** to Private Views, Parties and Social events.
- ❖ **Discounted entry** to some Museum Events including: Talks, Day Schools and Workshops.
- ❖ **Advance notice** of trips to museums, latest exhibitions, historic places, houses and gardens including **private visits** and behind the scene tours.
- ❖ **Free** quarterly **Newsletter**, the *Jackdaw*, keeping you up to date with news and events.
- ❖ **Special promotions** in the café and shop.

The Walled Garden Project

Currently, the Friend's main focus is raising money for the long-term **Walled Garden Project**. It is an impressive and ambitious plan that is attracting huge interest and will add another fascinating dimension to the Museum experience.
