Local History: Inventors and Invention

Look at local history through a series of local inventors (in partnership with Spaniel in the Works Theatre Company):

- Mikael Pedersen, inventor of the racing bicycle and the cream separator
- John and James Ferrabee of Phoenix Ironworks, with Edwin Budding who invented the world's first lawnmower and the adjustable spanner
- A 'Fantastic Plastic' session about Erinoid Plastics
- Arnold Redler and the industrial conveyor
- Mr Booth of Gloucester, inventor of the vacuum cleaner

The Learning and Programmes Officer will consult you over the aims of your visit and devise sessions accordingly.

For more information, please contact the Learning Programmes Officer on 01453 763394.
