

Museum in the Park

Stroud District (Cowle) Museum Service

Making a Museum

Meet 'The Collector' and consider how museum objects are displayed. Discover more about how we catalogue and care for our artefacts. Hands on activities include:

- Make a display with labels and information using some of our handling collection
- Investigate our displays and decide how you are going to design your own

Once you have completed your own museum, please invite us back to school for us to see!

The Learning and Programmes Officer will consult you over the aims of your visit and devise sessions accordingly.

For more information, please contact the Learning Programmes Officer on 01453 763394.
